*(9012-1)*

The President.

Oct. 15.

Univ. of Toronto -

Sir -

I regret to have to report  
that Dr. Macdonald has been  
for some weeks suffering  
from gastritis, due apparently  
to the cold damp quarters  
in which his work is done in  
the University Gymnasium.  
He has made the attempt, against  
my advice, to carry on his duty,  
but will be compelled to ask for  
a month's leave, to give him a  
reasonable chance of recovery.

I am, Sir, Yours faithfully -

J. P. Thompson

October 10th, 1913

Dr. J. M. Fotheringham,  
20 Wellesley Street,  
Toronto.

Dear Dr. Fotheringham:

I am very sorry to learn that  
Dr. Barton has not been taking improvement in his  
health. We miss him at this time of the year especially,  
but no doubt the Board will grant his request. I hope  
that he will soon be himself again.

Yours sincerely,

President.

January 6th, 1914

Lieutenant-Colonel Fotheringham,  
Military Headquarters, 2nd Division,  
Toronto.

Dear Colonel Fotheringham:

Many thanks for your letter. I was rather anticipating, after my conversation with Colonel Lang, some such reply as you have given in the matter of equitation for the students of the fifth year, and they must simply take what it is possible for them to get. I hope that it will be found feasible to arrange a camp for the first of May, but we should have this definitely arranged soon, as you will know, in order to complete our time table and prepare for the closing of classes at an earlier period, if necessary.

Wishing you the compliments of the Season,

I am,

Yours sincerely,

President.
